PROFILE

Seasoned video editor, detail oriented, team player, bringing passion, knowledge, experience and leadership to every project. Storyteller, able to take initiative and work independently, remaining calm, cool and collected even as pressure mounts and deadlines approach. Editing a wide variety of projects including factual television, documentaries, corporate videos, commercials, and music videos.

Seen on: CBC, CTV, HGTV, Food Network, A&E, Discovery, Nat Geo & many more.

EXPERIENCE

Editor, Stonehenge Digital Studio — Aug. 2017 to present

Edit corporate video and commercials, select and edit music, create sound design, build Motion GFX, customize Motion templates, color correct. Create videos for variety of platforms and aspect ratios from social media to 80 ft. screens, adhering to brand standards while collaborating with stakeholders to achieve desired results

Editor, Insight Productions, Top Chef Canada — Jan. to March 2020

Edit 4 x 1hr episodes for 2 seasons of competition TV series for The Food Network. Creating compelling stories, addressing producer and Network notes

Lead Editor, Holmes Group, Holmes and Holmes — March to Sept. 2019

Established editing style and vibe for home renovation docu-series for DIY (US) and CTV Life (Canada). Mentored other editors on the team.
